“ *My 3rd grade hip baby. Full of life, my but why, energy child. She had a loving spirit and she grew on us a teachers and admins. The only one to put that twist on a name so you knew who she was speaking to. My condolences to mom and dad especially and the family. Prayer understanding, strength, and positive spiritual covering in this season. Lord knows this is a hard one to be dealt but I know God is yet in control. Prayers and more prayers. Trusting God.*
