“ Life moves on but memories don't. You may have gone away but our friendship is right here....in my HEART!! I miss our daily text/talk every morning while we walk daily. Trying to bring sexy back as we would say every morning we would walk. I'm really bless to have spend the last couple of months and days with you. Last time seeing you was at my grandbaby birthday party on 9/9 and if I knew that was going to be the last time I wouldn't never let you leave. Or, our last phone conservation on 9/11 @ 5:35 p.m. If only HEAVEN had a phone I would call you so we could talk today. R.I.H. my beloved sis/friend/classmates!!

“ *Sis,
I remember when we were little girls visiting our Grandmothers for the summer in Natchez. We were excited to see each other running across the busy road trying to get to each other. All day playing "Jacks" from sun up to sun down and starting all over again the next day. Those were the good ole days sis. My heart is heavy with disbelief and I will miss you dearly. I love you Sis, RIH.*

Your Sis, Toni
