“ *Amber was that friend who was willing to do anything for anyone she was close to. Amber my riding partner no matter what time it was and no matter what the situation was she game for anything. She wasn't afraid of anything. I never expected to hear or see your name on God's list. However, God know know best and we should never question why he chose you. Take your ride on to heaven now and rest your soul. Always and forever you friend Kim 🙏*

“ I am deeply saddened to hear the passing of Amber. I remember when she was in kindergarten at Frazier she was a sweet little girl and every time I saw her through the years she exhibited that same sweetness. Condolences to the family may God continue to strengthen you.

“ Amber was my 1st childhood friend, my neighbor, & my cousin. Amber we have shared a lot of firsts together from bikes and roller blades to tattoos and cars. I will forever miss you and I'll always cherish all of our fun memories. I remember when your dad gave you those Elcaminos 🚗🚗🚗. You hated those cars. Early cold mornings having to warm the car up and scrape the ice off the windshield... 🚗🚗🚗 listening to you fuss and curse like only you could. Spread your wings & fly high Amber! You truly lived your life to the fullest it owes you nothing. Give your mom & dad a hug & kiss for me. I Love You Girl!

“ To the family my prayers are with you. I know that God will get you through this. Continue Amber’s legacy through family gatherings, photo galleries and genuine concern for others. Even as a child Amber always wanted to help others and stayed ready for photos. She posed as only the best lil models could (smile). I watched her grow from a sweet baby into a great wife and mother. Floyd, you were her world complete with all that motherhood meant. All of us wanted to hear about Floyd as only a mother could tell. Her eyes would light up as she discussed ball games , homework , special school assignments and shopping with Floyd. To her husband Jamaal God put you in her life at exactly the right time. As Debra’s son inlaw you stepped up to the plate and helped Amber take care of Debra. You were in Debra’s words: A real Blessing. Take care of Floyd and know that your wife is a Guardian Angel for you and Floyd. May God give you strength. Much “Tee Lo
