“ Just sitting here thinking about the laughs we shared and no matter what I knew you had my back. I think of you so often... I look at your picture and remember the sound of your laughter. I'll always remember you telling me that I was a true friend. I love you so much  and you will always be cherished.

“ I'd like the memories of Angie to be a happy one. I'd like the afterglow she gave when she smiled as you all know.. I'd like the echo of her laughter that she also gave that was bubble here after. All of her happy times and laughing times that my son Dominic & I remember were genuinely bright and sunny ones. To Angie family, I want you all to know she was a blessing to my son Dominic & I because of the love she gave that no other can replace. RIP Angie..

“ Angie, Angie ! I see your name in the the obit , I see the write up in the paper, Phil showed me the write up on F B. but yet still I can't except the fact that you're gone..... not my Angela, not my ride or die.....we had each other's back, if you had I had and vice versa, we never loan each other , we gave without a second thought, we laugh and cried together, Angie I prayed so hard that the Good Lord would heal your body so that we could laugh about how we both became ill at the same time. You had my back and I had yours, sometimes you would make me so angry and I would fuss at you and you would say oh what's wrong my lil poo poo and look at me with that beautiful contagious smile of yours and we both had to laugh, I would fuss at you about working so hard going to work in the morning and leaving that job going straight to your next job most times without eating, I'm already missing our lil talks. The last time I talk to you your wind was so short and I said Angie baby get off the phone and save your breath, you said ok I am but let me tell you this “ I love you Brenda” I said I know you do and I love you too Angie now bye and get off the phone, you said ok Brenda bye byeI will always love you and cherish precious memories.....I am so sorry you had to go out like this it really breaks my heart 😞😞 rest easy my daughter my lil sister, my bestie.... 💜🙏💜

“ Angie was voted *"The Best Teller"* in the miss-lou area for the past 3 years, but she was more than that...she was the best co-worker, a great team leader, and an amazing friend to everyone. I will miss her telling me, *"you know I can't stand you"*, and then she would smile that beautiful smile that we are all going to miss. Go fly high my dear friend, you have earned your wings. Concordia Bank will never be the same.

All my love, Loree
