“ My deepest condolences are extended to the entire family for a life well lived and well loved. Mrs White was a special person to me. She had such a loving way about her, and that smile... To know her was to feel the love and affection she exuded. She was a classy lady too... there was something sophisticated in how she carried herself. To the family, my heartfelt sympathy and love are extended to you all. Know you're in my thoughts and prayers. God bless and keep you all!
