“ I would like to extend my most sincere thoughts and prayers to Ashely's family. I have know her since our elementary school days where we sat by each other often because we where at the end of the line in alphabetical order. She has always been passionate about her family, friends, and her class. Her wisdom beyond her years will be missed and I pray she find eternal rest.

“ *Eternal rest grant unto Ashley dear Lord.
And may perpetual light shine upon her.
Your light will forever shine for us Ashley.
Whenever we see that twinkle in the sky or
a shooting star we'll know that's you winking,
to let us know you're ok and are always with us.
We'll never forget the cute, sassy little girl that turned into the
beautiful, still sassy young woman.
We'll help Gale and Jermaine take care of Brooke.
It won't be hard because you did such a great job in
raising her and she's just like you were at that age.
Oh so pretty, funny, smart and your mini me.
Ashley Gale Williams Marsaw, here's to you chica.
Loving you always and forever.
