“ *My sweet grandma, you have gave and loved so many in the world but I know God gave you to me for just a little while to love and care for, I know that Edward, Johnathan, Ebony and Cedarrest was glad to see you with open arms. Our days will be hard to stomach but I know the God that I serve is the the same God you have always talked about to your Husband, Kids and Grandkids. Every since you left and changed your address, we have asked ourselves where do we go from here with knowing that God needs you now with him, I remembered that he will never leave or forsaken us in our time of need. Grandma take your rest and enjoy paradise and continue to watch over us because even though you are gone your family still needs your guidance, support and love as we start to live in the now. Love your Sweet Keisha!!!!*

*You were the sweetest, loving, and most giving grandmother. I have always bragged about you and how caring you were to us all. You loved your family with all your heart. You didn't let your blindness get in the way. You were the strongest woman I know and I know I got that from you. I love you so much Mama Audrey!! I miss you and this is hard for me but I know God will take care of you and us like he always have. You taught me to go to the Lord about everything. I didn't understand when I was little how you would just simply say throughout the day " Thank you Jesus!" Now I say it all day for different things and now I know why you always used to acknowledge him when I was growing up. I am honored to call you my grandmother. You were a Queen of all Queens. I love everything about you and you will forever be in my heart.
