“ God is Faithful! Bennie was our; neighbor, friend and “ our brother” ! Throughout our childhood and being from a big family (Baldwin’s) there was always room for more! He was a dedicated and loving person with a heart full of compassion! He treated our Mom with so much love; checked on her periodically to see if she was okay. It’s so many stories I could share. However, I know that he was a blessing in so many ways for our family! He had a great personality, a zest for life and love for his family and friends! Words cannot convey what’s in my heart; but I can say the bond we shared with him was never broken! The memories we shared will overpower the sadness of losing him. To the family, God will direct your path; Bennie’s memories will always be a Blessing! God is Faithful! Jean Baldwin and the Baldwin family!
