“ *In Loving Memories of my brother Carl Hargrave aka T-Berry / Frosty*

*In tears I saw you sinking and watched you got weaker. You fought so hard to stay but God extended his hands downward and you reach your upward it was the lift you needed. I didn't get a chance to say see you later you left so quietly and quickly. You were such a loving caring and kind brother. Your footsteps has made its own lasting impression to the family. Even though I don't see you now I know you are there gone from the physical but not forgotten in my heart. People only die when we forget them so as I remember to call your name you will never die. I know this is a step we all must take. The bible says man that's born of woman is of few days yours just happen to last only 59 years and 61 days which I consider to be short . I love and miss you brother Carl. Lord, thank you for those cherished memories. Thank you for allowing Carl to let his light shine. Truly Carl was a servant of the Lord and a kingdom builder. Farewell, brother see you later when all of God's children get together. I chose to light a light blue candle because the color blue reminds me of the sky. Carl's spirit ascended to the sky.*

*My Love is Forever, your little sister Carylton H. Fleming, Clinton, MS*
