“ My fondest memory of Daddy Charlie was watching him and my dad trade old tales. I would sit as they tried to hold back their laughter while telling it. It would make me laugh so hard!!😂😂. Know Matter how bad he felt or when you'd ask him " how you doing Daddy Charlie"? He'd respond, "I'm getting along baby" with that cigar hanging right along too! Rest on Daddy Charlie, I'll remember those tales of you while I keep "getting along".

“ So sorry to hear of the death of Charlie. He was such a big help with my dad . Always pleasant and caring, Charlie would drive Daddy around, walk with him, and just be a friend. After Daddy's mini-strokes he was pretty confused, and Charlie helped him get through those hard times. We are so sorry for your loss. Fran Brellenthin (Bill Beane's daughter)
