“ *Miss Clara was one of the kindest people I have ever met. I met her when i started driving bus. She and her brother, Leon, and her nephew never met you without a smile, and if you had a problem, Miss Clara always figured either she or Leon could do something to help, and if they couldn't, she knew someone else in her family who could. The smile is so appropriate for her. It just brightened up your day to be around her. I shall miss her.*
