Clarence was very likable! You might say that he was Mr. Sadie V. Thompson, I was 2 grades behind him but remember that he seemed to carry the school. All kinds of activities he chaired. He was a true leader, brilliant, jovial, personality plus, knew what to do, how to do it. Sky was the limit to his abilities.

To his family, may your memories keep him alive in your hearts. God bless and keep you as he rests in the bosom of Jesus til that great getting up morning .
