Clarence when I met you I already knew you. Your zest for life, your
beautiful spirit, that smile, your willingness to give someone the shirt
off your back were so like your mother that I knew you were going to
be not only a great brother/brother in law but a great friend. I am so
thankful for the time we had together in April in your Vegas and I
was looking forward to our talks and laughs but God had another
plan and although my heart is heavy..I know I will see you again.. I
love you bro.. Pam

“ *Clarence never had a dull moment. He was always full of so much energy. I don't think I ever saw him without that smile on his facing. In school it was never a time when he didn't want to play. He was such a joy to be around and he will truly be missed.*

“ *Clarence has entered into His courts and is rejoicing with our Savior at this very moment.*

Death is not our final end. It truly is just the beginning. To see our Savior face to face, to know and experience fully the very presence of the Lord God is nothing but pure joy!

As our family grieves this great loss, please continue to keep us in prayer.
