“ *When we were growing up, Codessa, I won't ever forget how you got me in trouble, but you would never let anyone harm me. LOL. You protected me, you laughed with me, and when grandma died, we cried together. I will always remember the times and I will always love you! Rest in heaven baby girl, you were my protector on Earth and now my angel in Heaven!*

“ Cadoo,

God couldn't have given me a better auntie. Your smile brightened the room. Your laugh was contagious. Your love was deep and pure and we've shared enough memories to last a lifetime. I'll love and miss you forever. Rest on my dear. We'll do our dance when we meet again.

Kiss grandma for me!
