“ I am so heartbroken at the passing of Cynthia, who was my sister-friend and former colleague. My sincere condolences to Cynthia's family, especially her pride and joy, Candace and Keenan, who she loved and cherished dearly.

Cynthia and I worked together on the A team at Medstar Health Infusion for many years before she moved to Louisiana. She cared about her coworkers and was loved by the MHI family.

We kept in touch and I had the pleasure of visiting her in Baton Rouge. We had great time talking, laughing and singing as she showed me around her hometown. We even ran a 5k together which she had promised me she would.

Cynthia loved God, loved her kids, loved singing, loved her Cowboys and truly loved

Life. She always had smile on her face and would often tell me, that the Joy of the Lord was her strength.

I love you Cynthia and I am going to miss talking to you, my friend. You have earned your wings.

Rest in Paradise until we meet again.
