“ Our Chain Has Been Broken Yet Again!!💙💛 The Class of 1993 faced the heartbreaking reality that our chain has been broken once more. We lost our dear friend and classmate, Danielle Johnson, whose presence brought so much happiness and light to our lives. Each link in our chain represents the bond we share, and with her departure, we feel a profound sense of loss. Danielle was not just a fellow student; she was a source of encouragement, laughter, and friendship, making our shared experiences richer and more meaningful.

*As we reflect on the memories we've created together, let us strive to honor her spirit by supporting one another and keeping our chain connected in her memory.*

*Rest in peace, dear classmate and friend!!*

*We will continue to keep Damien and the entire Johnson family in prayer!!💙💛🙏*
