“ My name is Carter Coffey,  
I lived in Port Gibson , and I was a close friend of Danny . We often  
texted each other almost every day. Calling each other old man and  
talking about each other’s age. We were real close friends . Danny,  
wanted me to call him by his nickname Danny baby but I would  
often tell him he’s no baby he’s a rusty old man . We visited each  
other as often and we could and always enjoyed each other’s  
company and always looked forward to seeing each other again. I  
remember talking him to Chicago with him once . We had a lot of  
fun visiting my family and he even took a picture in from of a  
housing project in Chicago called Cabrini- Green . Danny showed  
that picture to almost everyone he knew in Port Gibson. I really miss  
my old friend and my prayers and thoughts go out to his family.

“ It's very sad when someone passes away. I am sending my sympathy to his children and other family members. This was my brother, I never knew him I saw him one time at another brother's funeral. I pray that his spirit is at rest . I hope my sisters are at peace and know that he lived his life the best he knew how to live it. Rest in peace
