“ I initially met Darrell and his family while providing home health services to his dad. I asked if he and his beautiful wife, Delores, would conduct a Bible study with my sons. Not only did I gain another spiritual family, but also a barber and a sports coach to my son. One would rarely see Darrell without Delores right beside him. I always referred to them as being “my babies( I was 17 years older). My prayers are with his family and friends whose lives he touched. I look forward to seeing my brother (baby) in the RESURRECTION!!
