“ *I so fondly remember the days when North Rankin Street was booming with children and clubs/corner stores. Dot's family had the Louisiana House, Mr. Fritz had his little place, there was a small place on the track. My grandmother had the memorable "Bees Cafe". I recall playing from one end to the next on Rankin St. Dot never was mean and was always friendly. That is my innermost takeaway from knowing him. He was the true meaning of what Rankin Street should be remembered as. Real, unconditional, and honest love for each other. Barbara, my dear friend I truly pray for strength for you. Y'all had a love that some of us wish for. I know you will have plenty exceptional fun-loving memories. I love you and pray for your family. lola*

“ Barbara I am so sorry for your loss , I pray that God give you strength to endure the pain that you are going thru, do know that I love u and I would be there if I could, you know Black dot and my family grew up on Rankin street, he was a very respectable , loving and kind hearted young man , I will miss him, my heart is deeply saddened by this sad news, but Heaven has gained an extraordinary Angel who will watch over you until you two meet again. Rest on Dot and take your rest , we loved you but God loved you best. To the rest of the family I'm praying that God comforts you all 🙏🙏, My family and I have nothing but Love for all of you❤️

“ *ALBERT,  
I know that this is all a part of the plan.. But it is still hard.  
We play together: pop guns, homemade bow and arrows, fixed each other's flats w/hot patches, raced up Pepsi Cola Hill as well as Brown hill, and made out own go carts from scraps that we found around..  
Memories are all we have they are with us now and always.*
