“ *Blessings and condolences to the family. As I reflect upon the younger days of Devin, I am grateful God allowed me to teach him in the precious year of his 3rd grade term in Elementary School. He was truly a humble spirited little boy with stupendous parents who supported the teachers and Devin with unlimited respect as parents. This precious soul will be missed by all those who encountered any part of his life. It saddens me to lose any young person but especially those who God allowed me to spend time with. Devin, you will forever be in my heart. May you be a guiding angel for your parents and siblings.* 🙏

“ I am so sorry and sadden to hear about the death of this young man. I did not know him personally, but twice he loaded heavy items into my car at Dirt Cheap. He was always so kind and polite. May God console the hearts of his parents, his brother, his sister, all his family and friends. May perpetual light shine upon him.
