Dear Family and Friends,

The next time I travel to Natchez, I will think of her and remember her telling me to trust in God and he will give me the courage to drive over the bridge (I may not do it, but I will think of Aunt Dorothy as I cross as a passenger). My sister Dorethea. Aunt Dorothy and I traveled together to Natchez. Aunt Dorothy went to her class reunion. One of Aunt Dorothy's girlfriends accompanied us on the return trip. They were in the back seat acting like giddy teenagers. I later learned that the gentleman that had Aunt Dorothy on cloud nine was Uncle James. She later told me to "Keep your heart open and love will find you". When you are around Aunt Dorothy, you will find love because Love was where she was. Millicent
