“ *Ms. Lewis will be greatly missed, I loved her so much and enjoyed the time I had with her. She was such a delight to be around and had such a dry wit about her. Her love for coffee was unmatched and she used to sing "The Old Gray Mare" anytime she wanted to get out of doing something. I will miss her smiling face and how it lit up every time I saw her and how much she loved to hear about my daughter. I will never forget her sweet, sweet self.*

“ *I will remember Mrs. Edith forever! I think of her often. She babysat my brothers and I when we were younger for about 7 or 8 years. She was so much fun, she used to take us everywhere. She was funny too and so caring. She was definitely a part of the family and we felt like part of hers too. I know she will be missed. My deepest condolences to the family.*

I didn't know her but I worked with her daughter for many years and I know she must've been a very lovely lady because Rose is her offspring. May Mrs Lewis rest in peace. Andrew and I offer our condolences. Pastor Andrew and Alice Daniel's.

“ Me and my siblings were blessed to have Mrs. Edith as our babysitter when we were growing up. She was an amazing person who cared about everyone around her. I was very saddened when my mother told me she passed away. I have nothing but fond memories of her. She always looked out for me, my brother, and my sister. I will hold on to the memories I had with her. My prayers go out to her family.
