“ *Our loved ones depart, but never their love, never the lessons they taught us, their guidance or the joys they brought us. Aunt Mae was a very important part of my life. I have so many wonderful memories to hold dear and to cherish so she will always be in my heart. My condolences to my family members, may you feel the comforting presence of God as you grieve the loss of your love one. Even though I am unable to be there you are in my thoughts and prayers. Love you all very much.*

Words can't explain how I feel right now, knowing that my second mother is no longer here with us. But she left behind a great legacy, her beautiful children! They loved her with all their hearts and she loved them even stronger! Although you're gone, you'll never be forgotten! Rest peacefully, Madear! We love you! Sincerely, Dunk Hall and family
