“ #LL3 EJ the boys my sister's and I love you sooo much. You were always smiling & joking around. It was an honor to have you around us. The weekends and sometimes during the summer when you would come to chill with them was always the greatest. The pranks, wrestling, riding atv's are our favorite memories. Not to mention all the other things y'all did. I love you!! Will miss the embarrassing look on your face when I would kiss and hug you when you were leaving. Will miss your smile and crazy laugh. I love y'all and pray God keeps his arms around your sisters mom dad

“ I taught Eric while he was at Cohn Elementary in Port Allen. He was always to hyper and full of energy. He had the best smile and would make your heart melt if you had to fuss at him. Definitely a student I would never forget!
