“ Ethel, you inspired so many with the life you lived. You always thought of others and their needs without thinking of self. It was who you were.,It came natural naturally. We graduated together class of 1975. However, life carried us in different directions to live out our dreams. I moved to Dallas and you stayed in Natchez with your family. As life would have its our paths crossed again. Your son John John wanted to marry my daughter Angel. They were so in love with each other in school. My mother would tell John John you will have to take care of Angel if you married her. That was not an issue with John John he was ready and willing just like you Ethel always ready & willing. I will miss you dearly. I will miss seeing your face, miss seeing your smile and miss hearing your voice over the phone. We had a group text called “Sisters”. We are all shocked you departed your earthly home. Another soldier gone too soon. Yes, we will mourn, but I will remember how blessed I am to have known you and those memories I will hold close to my heart. I will continue to lift up your many families affected and suffering this loss. To all the families you have my deepest condolence. God bless you always with all things 🙏❤️👤💜🌹❤️

“ Ethel, Ethel, Ethel! I was just about to call you then, I found out what had happened. I am devastated. I am so hurt! You have been there for me since I was in junior high. Then we really bonded after John John was in my wedding as a junior groom. You were like a second mom/aunt. You were truly special. My mom and Bishop loved you. We had many talks and laughs. I am so glad the last time I saw you, we had a chance to reminisce and eat with each other. I remember thanking you for being there for me and telling you I love you! Wow! May God bring peace to your family. May you rest in peace!

“ To the Scott and Green families, words fail me as I recall the days of Ethel teaching at Morgantown School. I knew when I interviewed her that we had a special someone coming to teach with. She was everything you could ask for in a wonderful , dedicated teacher. She touched the lives of many people during her tenure with NASD; students and adults alike. She was one of the best and will be dearly missed.

“ Mrs. Ethel Green Scott...What a beautiful person, inside & out!

*I was shocked to have stumbled upon this sad news.
My sincerest condolences to the Green/Scott family.*

Death is such an enemy...snatching away from us those whom we love. How grateful we can be that Jesus will soon, via power from his Father, bring our loved ones back to life (John 11:25; Revelation 21::3, 4). What a happy day that will be! Tears of sadness will become tears of joy!

Until then...our hearts will ache, we'll cry our tears, we'll miss our loved ones, we'll support & encourage one another. Again, I'm so very sorry.

“ *There are no words that I can find to describe how precious Mrs. Ethel Scott was to the many children in the Natchez-Adams School District. She was a teacher when I became the Assistant Principal at Morgantown Elementary School. She welcomed me with a hug that lasted forever, it seems. I adore her beautiful smile, the love she showed to everyone she met and her support as her newly assigned AP. On May 20, 2005 she gifted me a hanging plaque that read "Friends are the family we choose for ourselves" and she had chosen me as being her family. Praying God comfort to her husband, family and all who loved her.*

“ Ethel and I was my best bandmate and friend. After high school graduation and distance, we didn't see each other. Then, 9 years ago, I was home visiting, walking through Walmart and we spotted each other. There screaming, laughter and long hugs. It felt like we were back in high school. We exchanged numbers and Facebook profiles to stay in touch. But afterwards, I made sure that when I came back to Natchez I attended Christian Hope Baptist Church to say hi to Pastor Scott and Ethel and get one of those big hugs. She had a way of making you feel special. I'm still in disbelief but God's plan is God's plan. My condolences to her beautiful family. May God give you comfort and you are now blessed with a beautiful angel. She's singing and hugging all around heaven.
