“ *Geno was the best friend anyone could ever have. He told me that Walter (his dog), and I were the most important people in his life. He was always there for me and I was always there for him, even to the end. We were closer than family ever was. He loved planting a garden and watching it grow. He had so many friends that were his family and will be missed by all. Always a smile on his face! Sure will miss his cooking which we did on weekends. I know you are flying high with the eagles and looking down on me..*
Miss you so much,
Love you,
Marie

“ *Dad,*
You were the best Dad any boy could have, loving and caring. In my books, you were the No. 1 Dad. I am truly sorry for giving you so much trouble. Sure wish I would have listened to you because you were right on everything you told me. It may be too late but I hope you can forgive me. I think about all the trips we took, Texas, Colorado, New Orleans, Hawaii, and Florida. We had many good times and memories.
Miss you every day,
Love you,
Your son, Connor

“ Geno was a great customer and friend! He loved working in his yard and the garden. Im blessed to have several trees he gave me years ago that are growing strong! He loved his motorcycle but wouldn't ride in the rain thanks to me! Good times. You're flying high with the eagles now my friend. Gonna miss your visits.
