“ The West Gate family extends our heartfelt sympathy to the McCoy family. "What moves through you is a silence, a quiet sadness, a longing for one more day, one more word, one more touch. You may not understand why she left this earth so soon, or why she left before you were ready to say good-bye. But little by little, you will begin to remember not just she died, but that she lived. And that her life gave you memories too beautiful to forget." Gone Too Soon! The WG family says "see you later" to one of our girls-FRM

“ Your darling daughter Felicia was a sweet soul and had a heart of gold. I've worked with her for a number of years and always enjoyed our long conversations over the phone in preparing her for her next job. Her funny personality and sharp wit would make my day. I will miss her dearly. Great job Ms. McCoy on raising such a sweet, loving and giving daughter for all of us to enjoy with the time we were blessed to have with her.
