“ *Keith and Eula, you both know how much Freddie Jean was loved by her travel group family. Freddie was an original member of her travel group family. For almost 2 decades she has traveled the world. Freddie greeted every one she met with genuine interest in them and kindness. Like her blood family we are thanking God for her earthly time with us, and leaning on our faith for strength. May God bring your family the comfort and Peace that only he can pour, at such a time as this.*

“ I first met Freddie in Clarksdale, Mississippi. Keith's family was having a reunion. Randy and I had just started dating and he wanted me to meet his parents. I was so nervous because I didn't know what to expect, but she was so kind and beautiful I must add; a very classy woman. I will always be her daughter-in-law, the mother of three of her grandchildren (Cedrick, Ashley and Brandon) and of course, Randy's wife 😊. I will miss her for her kindness, honesty, generosity and sweet potato pies!!!! I love you Freddie and I know you are enjoying the presence of THE LORD and the reunion with your oldest son, Randy Antonio Hutchins.

“ I'm lighting a yellow candle in memory of Freddie Jean. I saw her as a light of sunshine with a beautiful smile. I have very special memories in my heart as well as a special cousin. Most of my childhood, my dad and I would pick her up for church on Sunday and Wednesday night services. I remember her sewing the cuties dresses for me to wear to church. It has been almost 30 years but I can remember her encouraging me to take a cruise. The picture she painted in my head caused me to take my first cruise. It was one of my favorite cruises and all that she had stated. I know Freddie Jean is now absent from her body which means she is in the present of the Lord.

*Keith you're in my prayers.*
