“ Well I knew Mr. Houze from Mrs. Houze who was my director when I was a Ramselle. He would be around but I never had a conversation with him but just hello. The last 2-3 years I had a chance to really know who he was. On Sunday the Kappa would hold their Sunday meetings at the Magnolia Bluffs Hotel. When he would come, parked on the side entrance of the building. He would call the hotel number to see if I was in there to tell me to open the side door for him to enter. We would always sit down to watch the football game until the meeting would start. He would talk bad about my Saints. That was my Sunday football friend. He love his wife, kids, and grandkids. He was always cracking jokes. He will truly be missed. May God cover the HOUZE family during these difficult days ahead. 📖🕊️

*These are just some of the labels that describe this man who has experienced an incredible life journey. As Michael Jackson aptly suggested in one of his great songs, he is "...gone too soon".*

*I met Mr. Henry Houze sometime shortly after I landed on Alcorn's campus as a freshman in the Fall of 1971. To put it mildly, he changed my life. Frankly, he touched and changed a LOT of lives. Houze made you believe that you mattered and that you could aspire to anything. In fact, if you didn't dream, he would dream for you until that magical moment happened when you finally discovered yourself.*

*He reflected perfectly the vision and soul of Alcorn and did his part in nurturing that special something inside of us that God gave each of us uniquely...we just didn't know it at the time.*

*Even after I left Alcorn, I felt compelled to try to stay in touch with him, simply because he was a true example of that higher type of humanity I was aspiring to be.*

*This one hurts, but I rejoice in the firm belief that if there is ANYONE who has a seat in heaven it is Henry Houze. He 'planted trees'*

*underneath which shade he will never sit.*

*I am so grateful God allowed our paths crossed. Thank you, Houze Family, for sharing him with the world.*

“ Houze loved and liked Alcorn. His many strolls across the green, beneath the giant oak trees, smelling and inhaling the clean air and consuming the water and milk as a student and staff was inspirational to and for him. Fortunately, for the ASU family Houze transformed his inspiration and love for ASU into; every student, potential student, staff and alumni that his path crossed. In summary, Houze's walk of life and works for ASU produced an abundance of resources for Alcorn and the Alcorn family.

*This is a difficult post to make Mr.Houze was Alcorn State university, he had a way of making you believe you could accomplish anything you put your mind too. My first encounter with Mr Houze came after a baseball game at Alcorn I didn't know who he was or that he was at the game,when he saw me later on campus he was full of praise and I never forgot that, after that we became friends and looked forward to our conversation about baseball and life.Then I a chance to work with Mrs. House. *We are deeply saddened to hear of the transition of our friend, Mr. Henry Houze, Jr. He loved Alcorn State University, fellow Alcornites and his beloved Kappa Alpha PSI Fraternity, Inc. Our earliest memory of Mr. Houze was his fraternal line crossing at the former Alcorn A & M College, Lorman, Mississippi. It was a short probate line and he was giving the marching his ALL (very sweaty)). Later, after graduation, we enjoyed conversations with him at Mid-Winter ASUNAA Conferences.
