“ *Joe was my boss at Federal Express, he made me a better person. He pushed me in area's of my life that helped me be the person I am today. He helped me understand people in a way I thought I never experience. Joe was funny, serious, driven and mostly wanted to be the best to show folks he could do it, his people could do it and we DID! and they were pissed and that tickled him.. lol...Joe is someone that I will always remember as a person that supported me and pushed me when no one else did. While we did not talk often, I will miss him!*
