“ Dear David and children, I apologize for the lateness of this post but I am very sorry to hear of Julie's passing. She was a such a sweet friend in New Orleans to my roommate, Betsy Gilardi/Richards and myself. She was was always sweet, funny, encouraging and had such a love for the LORD, and a zest for life! I will always be grateful for her persistence in encouraging a friendship between our friend, Chris, who became my husband! I have been praying for you all over the years before and after her passing. Blessings to you and your lovely family! In Christ, Bobbie (Barbara Matthews)

“ I am saddened to just hear the news of Julie's passing today. We grew up together thru high school & college years. She was a very special girl to me. Her family and friends can feel very lucky to have had her all these years although she has left at such a young age. Even though I haven't seen her in many many years I've always have special thoughts of her. I still to this day wear a St Christopher metal I got as a gift from her on my 18th Birthday. God Bless her beautiful family. So Sorry. Mike Giambelluca Golfer1445@gmail.com

“ *Dr. Timm and family,
I was so sorry to learn about the death of Julie. We worked together in hosting students from the Miss. School of Math and Science and she was really helpful and encouraging when I had breast cancer. She was a remarkable, good, and kind person.
