“ *My heart is heavy and there aren't many words to describe the amount of love and support Mrs. Katie selflessly provided me for over 6 years. She was instrumental in my personal and professional life. Many mornings, I shared the burden of helping others can become overwhelming. On this particular morning, Mrs. Katie replied, "the employees need someone like you on their side because you care beyond the performance of their duties and it's the reason why I've stayed as well." Just as I was burdened, so was she so I had to remove self from the equation because Mrs. Katie saw something in me that I didn't see in myself at the time. I have many more memories that I will keep close to my heart. My rock, my friend, I miss you so much and I will never forget you.*

*Praying for the family,

“ Mrs. Anderson was a great coworker when I worked at Corrections Corporation of America. She was the Secretary for Training. I was a newly retired Public School Administrator and she and I spent lots of time together. We laughed, trained, advised and gave our “wisdom” to so many others. We exchanged Christmas recipes yearly and I’m still trying to “perfect” some of those. She was a super cook and I was one of her “volunteer tasters” (smile). Her work ethics and professionalism were above and beyond. Her office and work area was immaculate. Well you know the rest we all followed her lead. Thanks to Mrs. Anderson and encouraging me as the Education Manager Principal all audits within my department were successful with nothing short of a 100%. Her tips were well received. To the family, trust that God will get you through this as only He can do.
