“ *Main Main,I'm still wondering why it had to be you?But I shouldn't because,you are not to question the Lords will.Your Life is already planned for you as a seed.You was just like my other lit brother.Juluis Payne use to ask my Mom (Flora why you didn't tell me that we got a live-in?)I used to call him Manron.Every trip we made Manron was with us.Family reunions Manron was right there.Last time I talked to him,he told me Sherri I'm doing good,I got me a good job and a good woman.All I'm trying to do is make it for me and my family. I also recall one trip we took to Texas for a meeting for my Mom job, Kejuan and Main Main was with me after dropping Mom off,They got in a little trouble while being in my care.I was so scared I had to find a way to get them from the law before my Mom got out the meeting.I was so mad at them.I was very Happy to hear him tell me that.Main Main you will truly be missed.I 'll see you again standing at the Gates to Glory.*

“ I hadn't talked to you in awhile and I was really missing you. From the first time I ever met u, I fell totally in Love with u. You were so mannerable and soft spoken. A perfect gentleman, always. I was so happy that Sierra had a big brother like you. I kno you two had grown close and that made me happy. Walter would have loved it also. Now, he can tell u himself. He was very proud of you and we talked about you all the time. God has given him the chance to spend all the time with you that he may have missed out on when you two were here. That's a blessing. This place has surely lost an angel, but your memory will forever be here with all of us who truly Love you. Rest on angel. I Love You.
