“ *You are my baby brother. We had a lot in common. We look alike and we were both the babies. You always tried to please everyone. You wanted to keep everyone happy. Every family needs that person. I will miss discussing "what's for dinner with you". You always had some super ideas. You always had some interesting stories to tell and I would wind up laughing till I cried.*

Although I know that you are in a better place, I am still selfish enough to wish you were here with us. Your passing was unexpected and I still have times that I can't believe it.

Baby brother, please know that you are loved and missed every day.

Your sister, Monica "Jean"
