“ *Dr. Braxton's legacy will always be remembered in our community. His programs, policies and care for others was seen in his dedication to assist those less fortunate. Grants, housing assistant, even assistance for college students. Head Start and the Community Action Agency will always be forever grateful for his dedication. He was always a pleasure to see when I saw him.*

“ Poppa Bear, it's baby bear, You taught me how to ride a bike. I'll never forget I practice all day until you came home from work. And when you pulled into the driveway I took off riding “ look poppa I can ride my bike, I did it” that smile you gave me will forever be one of the many memories I have of you. I love you so much rest well you earned it.
