“ My favorite uncle of all time. If I ever just called him “Larry” he would  
swiftly correct me and say “It’s Uncle Larry to you” (LOL). Memories  
of my first time riding a pony, my first pet, going fishing—I can thank  
my Uncle Larry for those things plus more! He was such a joy to be  
around and I will definitely miss him!

“ Larry & I was connected at the hip as children on canal street, Where ever Larry was Michael Roach was. We did everything together, We used to go to hick-hike to his Grand parents house in Provident , everyday, as little boys. Grandma Luss made the best tea cakes. We were only allowed to have our share after we fed the chickens, Larry much better at catching the chicken that his Grandmother picked out for dinner. Larry could fish & climb a tree better than me. To be honest, I couldn't do any of that stuff. Larry was much shorter than me , I couldn't even beat him running. I was on the football team at Sadie V Thompson with Larry also. He was such a great running back, we all called him(SPEEDY). He was better than me even playing football. One thing we were great at was talking care of each other, even though Larry could fight better than me, too. If he couldn't protect me , he got his brother Ronnie or his cousin Keith. Larry & I has always been like True Brother. Momma Gloria , will always be a mother to me. We have always been family & always will. My Heart Really Hurts, now that my brother has gone own to a better place. Larry will always live in my loving Heart. My Brother Larry Luss was the Best at Everything that he done. Larry I'm sure that we will connect someday in the future. Always alive in my Loving Heart. Brother, Michael Roach Carter
