“*Ray, I have been hesitant about saying anything before now because I didn't want it to be real. I didn't want to accept that me and Lucy won't have you any more. I didn't want to accept that I won't hear you call me Momma Tammy any more and I won't be able to call you Joe anymore and you answer. I prayed for your healing and restoration but God decided other wise. I don't question Him but I do know this is a hard pill to swallow. I loved you like one of mine and this hurts like you're one of mine. As these tears and words flow just please know I am going to miss you terribly. Your smile, your words of encouragement and you as the wonderful person you are. Save me and Lucy a seat right beside you Joe. Please know that we will forever love you and miss you. 🥹*
