“*Brother Jackson, My Buddy and My Friend, used to call me Charlie so I stopped telling him the name is Childs, Bro. Jackson. When I first met Brother Jackson, he was so kind and showed what a great person he was and a great Masonic Brother. He always encouraged me to go further and I began to move up in the Masonic Organization and began to just love it all because of Brother Jackson. We would ride with each other going to meetings or programs and even rode together coming back from Houston Texas one year. I drove half of the way and Brother Jackson drove the other half.*

*I have since moved but I will miss him and I always talk about him because he believed in pushing you to do your best. We talked about everything and I just enjoyed him as a good christian person , mason brother , and most of all a friend.*

*To the Family, be strong and keep the faith for myself and sister Childs truly believe that GOD just need a flower so he picked Brother Jackson.*

*To our Sister Debora Jacson, we love you, we leave with you, be strong and keep your faith because GOD knows best.*

*With Love and Sympathy:*

*Brother James Childs and  
Sister Joeann Childs*
