“ *I am sorry for your loss. I remember how much love my children had for Ms Lillie when I would take them to Dr. Timm's Clinic. She was always so patient and kind. We would talk about different cake recipes her and my mom shared. When my mom transitioned; Ms Lillie was a true comfort for me. I pray you have strength and peace on Ms Lillie's Homegoing.*

“ *Ms. Lillie was a face from my childhood I'll never forget. As Dr. Killelea's nurse, she was the sweetest, most gentle and loving lady. She always remembered me when I'd see her around town, even now as I'm "all grown up." I was very saddened when I saw her obituary. May God comfort all who loved her.*
