“ I had the privilege of working with Linda at Co-Lin for several years. She was not only a co-worker but a dear friend. An encourager and always willing to help. We shared many laughs, and I'll cherish those memories. She loved her family dearly and her church. A wonderful sister in Christ and I'll miss my dear friend.

“ *Linda is my cousin (King). I am praying for our family on the transitioning of this sweet Angel. She always had a smile (Co-Lin days) and showed love to everyone she met. Although, we did not see each other as much, her kindness will always be remembered.*

“ *To the family, you have my sincere condolences 🌸. Mrs. Davis was more than just my landlord. She became more like an aunt to me. She helped me through situations over the years and always had the best advice. Whenever we would get to talking, we could talk for hours. She was the sweetest person; always trying to find ways to help others. I'm so grateful I got to know her the way I did. I'll cherish the memories I have of her. She will be truly missed.*

I send my condolences to the Davis and King family. I'm so grateful that I was able to spend time talking and laughing with Linda, just a few months ago. She will be missed dearly. I will always remember my time as a child, spent with her at the piano, trying my best to imitate her when she would sing 'Goin Up Yonder.' I wish I could play and sing it for her now.
