“ I met your mother at the credit union when she came in to join. Her attitude was always very pleasant and positive. Even after she was diagnosed, there was no complaining. The last time I saw her, she came with one of her daughters and we had a great laugh. To the family, please stay strong and try to have the same positive, friendly attitude she portrayed. You truly had an angel with which to share your life. May God continue to bestow his blessings upon all of you.

“ Sis. Louise was a energy packed young lady who knew how to hold your attention especially at Sunday school at the Union Baptist Church. She showed great interest in all people, she was a lady that didn't meet a stranger. I know personally you will be missed greatly by all, James A. Clark.
