“ I had nooooo idea that one of my favorite teachers has passed away until my mom told me a few days ago!!!! I am so sad and disheartened to hear of her passing, and being unable to come and show my love and support! As such, I'm posting this for her and the family to be well and enjoy life doing something you'd love doing! Don't waste time sitting still doing things you'd regret later on, or standing still somewhere doing something you can't bare! Our God is amazing and He will provide today and forevermore, just trust in Him... Be blessed to thrive and achieve all your dreams and then some, in Jesus name... Amen!

“ *Mrs. Linda Joe was the best neighbor, mentor, and friend I’ve had. She was a strong advocate of education. She hand wrote me two recommendation letters. Mrs. Linda was always happy for my accomplishments and was there for my family and I through the loss of my Mom, Louise Williams Dennis. I will miss our talks and you treated my sons like your own grandkids. I love you and miss you already.*
