“ *I want to extend my heartfelt condolences to the Family of Mamie Lou Washington. God choose a lovely flower to plant in His heavenly garden! For over 60 years, I have known Mrs. Washington. I know her to be a wonderful person devoted to her Family. I had the privilege of being a friend to her daughter Tiajuana and Godmother to her son Travis. Growing up I spent a lot of memorable times in her home. No one could ask for a most gracious host.*

As an Educator, she made an impressionable mark on all students who had an opportunity to engage her. Her legacy as a valuable educator, Counselor and mentor will challenge the Jefferson County School District for years to come.1

These are but a few reasons why God waited 92 years to pick this beautiful blossom! May God strengthen your Family as you celebrate the loss of such a wonderful woman.
