“You are always in my heart. I love you and miss you dearly. “A mother's love is pure, selfless, and unconditional. It is a love that will never fade or falter.” “A mother's love is the glue that holds a family together. “There is something about losing a mother that is permanent and inexpressible — a wound that will never quite heal.”
I'll always love you mama...Robert Lee, Sr.

“ Lord, we also pray for the promise of joy in the morning. We trust in your unfailing love and the hope of new beginnings. Help us recognize the small glimmers of light amid the darkness, the moments of peace amidst the pain. Guide us on the path to healing so that as the dawn breaks, we may find joy once more. May our hearts be open to the beauty of life, even as we remember those who are no longer with us. In the name of your boundless love and grace, we pray. Amen.
