“ PeeWee, Yoke, Betty: my sincere condolences to you and your family...

My initial thoughts of "Cooda Browm" centers around the passion he had for basketball and how he played the game with such ease. When we played on the dirt surface next to his parent's house he seemed to cherish playing against the basketball "OGs",(his brother Frank and his goons Dave and Puddin). During the time we spent at SVT it was a pleasure to go to a basketball game and tell the person sitting next to you that he was from our neighborhood. Oh yes, we proudly claimed him as ours!!
