“ To Ruthie and the Mazique family I pray that you continue Otis’ legacy through things that he genuinely enjoyed. Otis was my husband’s great friend and the Best Man at our wedding. He and John would compare notes about NATCHEZ, football, politics, racing, travel and even cooking. They traveled the world and solved the problems of the world while sitting in the family room at night. That was sort of “their” time. They were so much alike that often one would start a sentence and the other would finish it. I know that they are together again and having a super reunion of sorts. May God Bless you.
