“ Love you cousin I miss your kind heart and Godly like spirit. The main thing that I miss about you is you always talked about the Lord with me. You had a childlike quality about you not too many people will ever have. Love and miss you so much . “ I met Penny when she became my neighbor in Arboretum Park in 2017. We became good friends and called each other “my favorite “ neighbor. We shared many happy hour appetizers together with lots of laughs. She was delightful and I’ve missed her a lot since I moved in September 2020. Covid made it difficult for us to get together although we had hopes. I will miss here even more now but know she is resting in peace!.....Carol Redmond

“ Penny was such a loving and fun person to work with at AT&T! She touched the lives of so many in the simplest ways and everyone knew her at the office. Always will to give a helping hand and took on some new projects along the way to expend her skills. I miss our morning conversations about whatever was going on in the world and rarely said anything negative. We loved celebrating her retirement and very happy she had the opportunity to spend so much time with her family in retirement. From myself and the greater AT&T family, we offer our condolences and prayers to all f Penny's family and close friends.
