“ *Blessed are those who mourn, for they will be comforted. We would like to thank Uncle Peter for always being there, as small children and adults. I remember my Mom saying, she didn't know how she would have made it some days without the assistance of Uncle Peter. Even as adults he opened his home, he and his family when our dad, Thomas Jackson passed. What a mighty man of God. We will always appreciate the love and compassion that he showed us. We are praying for strength and comfort to Ellen, Barbara and her family, Bonita's family, Aunt Grace, Carl and all the other family members. May God richly bless you.*

Love you,

Valarie Jackson Lewis and Keith Jackson Sr.

“ *I am very grateful for the precious memories that I have to reflect on of my Uncle. I remember spending Summer vacations in Natchez with my Aunt Boo and Uncle Peter. Uncle Peter made my visits fun and meaningful. It was the little things like picking pecans in the back yard and just spending time with him that I will forever treasure. He took me and the rest of the kids to the ball park. I remember riding in the back of his pickup truck and going with him to the grocery or Dairy Queen. I shall never forget his annual 4th of July barbecues or his extravagant meals. When Uncle Peter would make us pancakes for breakfast his pancake was always the largest. There are so many memories that are flooding my heart and mind. His distinct laugh shall never be forgotten. Take your rest Uncle and thanks for being so good to me. Family: trust God and rely on Him for clarity, comfort and strength.*
