“ *I was truly saddened to hear of Randy passing. Randy and I attended different high schools in Natchez, but I knew of his outstanding athletic ability on the football field. We went on to become friends, college football teammates, and fraternity brothers at Delta State University. He always had a smile and was willing to help others. Randy has gone to be with the Lord. I miss you my brother and you will never ever be forgotten. I extend my deepest sympathy to Hutchins family.*

Goodbye my friend and teammate,
