“ Renee was a special aunt for many reasons but I will never forget how fun, honest and protective she was of family. The world is a much safer place without her in it. - her Neice Ericka

“ Renee was my sister-in-law but she was such an influence to my boys. They loved her and she loved them and was always front and center during their early years in any celebration or special occasion.

Was so glad to recently reconnect with her and share in her renewed faith in God.

Sleep in heavenly peace, sweet sister.
